MÜNCHEN,

Dear Sir,

I hope you will have received the catalogue of my auction sale on March 20th and should be glad to get your esteemed orders.

Of course, the taxations I added cannot be obligatory, as the definite prizes are only fixed by the sale itself, but they make it easier to give limits with some chance of getting the wanted pieces.

I should be most obliged to you, if you could write me, in what sort of coins and medals you are specially interested, that I may send you my catalogues for the future.

Yours faithfully

Otto Helbing Nachf.

Dear Sir:

We have looked over the catalogue for your sale of March 20th. I think Mr. Newell is sending some orders. It has been placed with your other catalogues which are on view in our library and the various collectors have access to these. In times past, I know you have obtained new bidders or new bids from these. Our Museum is interested especially in Oriental coins, chiefly Mohammedan. This at the present day is about all we buy. One of our members, as you know, at times buys for us certain Napoleonic pieces.

Very truly yours,

Curator

Dear Sirs:

Herewith we are enclosing a cheque for RM. 1,226.00 covering the Napoleonic medals purchased at your auction sale of October 14th. The delay in making this payment was occasioned by the death of the member who was to pay for these medals. Will you be so good as to receipt the two bills enclosed - one for our own records and the other to submit to the Executor so that we can eventually be reimbursed.

Thanking you for your courtesy,

Very truly yours,

Curator.
